

TEMPLATE E: MAJOR PROJECT MILESTONES

I. MAJOR PROJECT MILESTONES

Major project milestones are defined as the achievement of specific activities necessary for the completion of the project (i.e., critical path to project success) and may span several of the project's activities. These milestones can be related to any aspect of the project (e.g., technical, financial, management, commercialization of the resulting product/process/service).

IDENTIFY AND BRIEFLY DESCRIBE THE PROJECT'S MAJOR MILESTONES, INDICATORS OF SUCCESS AND THE TARGETED COMPLETION DATES.
