Mastercard Capture the Flag (CTF) Series, Presented by the National Cybersecurity Consortium Rules

All participants in any stage of the National Cybersecurity Consortium (NCC) Mastercard CTF series are expected to adhere to the following rules, as well as to the [NCC Code of Conduct](#):

1. All CTF teams must submit a registration form on the NCC website to express interest in participation in the Regional and/or the Final competitions.
2. All submitted team registrations will be considered for participation. Only those accepted for participation will be contacted to complete registration.
3. All registration deadlines are posted on the NCC website, and that is the official source of these dates.
4. All participants must be enrolled at a wholly Canadian post-secondary educational institution.
5. Teams will only be permitted to register for the Regional CTF that corresponds to the core location of the post-secondary educational institution they are currently enrolled:
 - a. West – British Columbia, Alberta, Saskatchewan, Northwest Territories, Yukon
 - b. Central – Manitoba, Ontario, Quebec, Nunavut
 - c. East – New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland and Labrador.
6. Each team must be made up of students currently enrolled from the same post-secondary educational institution.
7. All emails used in registration must be official post-secondary educational institutional email addresses.
8. Teams must be composed of a minimum of two (2) players and a maximum of four (4) players.
9. Capacity is limited by the host venues and cyber range. Limits on the number of teams that can participate are posted on the NCC website, and this is the official source of these restrictions.
10. A maximum of three (3) teams per post-secondary educational institution may participate, however, this restriction may be lifted at the discretion of the NCC if capacity allows. Teams will be accepted on a first-registered-first-served basis.

Rules

11. Some personal information, including personal names and email addresses, will be shared with the Cyber Range host (ENFOCOM) for purposes of accessing the CTF Cyber Range.
12. On the day of the event participants must log into the Cyber Range (provided by ENFOCOM) to participate, using the log in provided via the registered email address.
13. When logging in to the Cyber Range (provided by ENFOCOM), participants must also accept and fully adhere to the rules and regulations of the platform.
14. Participants are asked not to consult with outside individuals for support during the CTF competition, but only with their registered teammates.
15. The judging of the challenge and the awarding of prizes will be final, based on the scoring / points system as calculated within the host Cyber Range, and at the discretion of the NCC as host, in its sole opinion.
16. The Cyber Range (provided by ENFOCOM) and the CTF competition are provided in English, with limited French language support.
17. Teams will compete for first, second, and third place at the three (3) Regional competitions and at the one (1) Final competitions. Each team member will be eligible to win the following prizes:

REGIONAL CTF (West, Central, East)

- 1st Place: First place team will be recognized in a closing ceremony on the day of the CTF with a presentation that includes Mastercard representatives. The winning team will be invited to compete in the National Final in Montreal, and the team will receive A) up to two (2) nights accommodation in Montreal and B) up to \$500 CAD contribution for each team member towards travel to Montreal to take part in the National Final CTF. * The NCC understands that team members may not be able to self-fund travel expenses and the NCC will consider advancing funds for travel. The NCC requests winning teams contact the NCC for a case-by-case discussion.
- 2nd Place: Each team member will receive a \$50 CAD gift card.
- 3rd Place: Each team member will receive a \$25 CAD gift card.
